

Continuing Education Certification The Diocese of the Central Gulf Coast

I appeal to you therefore, brothers and sisters by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship. Do not be conformed to this world but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable and perfect. Romans 12:1-2

The ministry of the Christian Gospel requires growing in skill and sensitivity to the changing environment of the human condition. Hence, in faithfulness to the calling and to ordination vows, we covenant together to grow in grace and wisdom in the service of our Lord Jesus Christ. Each person ordained and serving in this diocese is asked, by January 15th of each year, to submit to the Diocese a record of their Continuing Education activity for the previous twelve months, and a plan for the coming twelve months. This report will be kept in the individual personnel files of clergy and included in any correspondence involving relocation to other positions.
